GATORFOAM PRESENTATION DISPLAYS

NTXPrint | Artwork setup guide

Select dimensions and download the exact-size template.

Artwork equals ordered size. No added bleed or crop marks.

Online shipped sizes: 6 x 6 through 38 x 48 inches.

One single-page CMYK PDF or JPEG per printed face.

150 PPI at final size; outline all fonts.

Keep important content at least 0.25 inch from every cut edge.

Extend backgrounds to all edges; remove template guides.

Choose 3/16-inch or 1/2-inch white or black board.

Indoor use only. Display hardware is not included.
