UNSTRETCHED ARTIST CANVAS PRINTS

NTXPrint | Artwork setup guide

Select your dimensions and download the exact-size template.

The artwork must match the full ordered dimensions.

Maximum 58 x 1200 inches, in either orientation.

This product arrives rolled and unstretched.

If stretching it yourself, include the wrap allowance within the size you order; it is not added automatically.

Keep essential content within the visible area of your planned finished piece.

Use one single-page CMYK PDF or JPEG at 150 PPI.

Outline fonts and extend the image to all ordered edges.

Remove crop marks, template guides and instructions.

Frame, stretcher bars and hanging hardware are not included.
